PRO GBH 18V-18 X Cordless Rotary Hammer with ONECHUCK

Short Description

Compact Bosch Professional 18V cordless rotary hammer featuring the ONECHUCK system, KickBack Control, Vibration Control and a brushless motor. This kit includes two 18V 2.0Ah batteries, a GAL 18V-20 charger, GDE 24 dust extraction and an L-BOXX case.

Technical Specifications

Brand	Bosch
Model	GBH 18V-18 X
Mfr part no.	0 611 927 101
SKU	819164
Type	Cordless rotary hammer
Tool Part Number	3611J27100
Voltage	18.0 V
Impact Energy	1.5 J
Speed	0–900 rpm no-load speed
Impact Rate	0–5,000 impacts per minute
Drilling Range In Concrete	4–18 mm
Optimal Application Range In Concrete	6–10 mm
Weight	1.8 kg excluding battery
Vibration	16.6 m/s ² vibration emission value ah; uncertainty K 1.5 m/s ²
Motor	Brushless
Chuck	ONECHUCK: SDS-plus, cylindrical shaft up to 10 mm, hexagonal shaft up to 10 mm
Biturbo	No
Packaging Dimensions	340 x 440 x 140 mm for the kit variant

Description

The Bosch Professional GBH 18V-18 X is a cordless rotary hammer designed for hammer drilling in concrete and drilling in wood or metal. Its ONECHUCK system accepts SDS-plus, cylindrical and hexagonal drill bits, while KickBack Control and Vibration Control improve user protection and comfort. The verified kit variant is supplied with two GBA 18V 2.0Ah batteries, a GAL 18V-20 Professional charger, GDE 24 Professional dust extraction, an L-BOXX 136 carrying case, an auxiliary handle and a depth gauge.

Key Features

- ONECHUCK accepts SDS-plus, cylindrical and hexagonal drill bits
- Brushless motor with continuous power output and constant speed

- KickBack Control stops the motor during sudden tool rotation
- Vibration Control reduces tool vibration
- 18V Professional battery system
- Maximum impact energy of 1.5 J

Applications

- Hammer drilling in concrete
- Drilling in wood
- Drilling in metal
- Cabinet installation
- Carpentry
- Glazing
- Facility maintenance

What's Included

- Bosch GBH 18V-18 X cordless rotary hammer
- 2 x GBA 18V 2.0Ah batteries
- GAL 18V-20 Professional charger
- GDE 24 Professional dust extraction
- L-BOXX 136 carrying case
- L-BOXX insert for GBH 18V-18 / X
- Auxiliary handle
- Depth gauge
