

Yato | Code YT-23702 | Sku 1023702

Yato YT-23702 Digital Air Inflating Gun with Manometer

Key Technical Specifications

Display Type	LCD with digital control panel
Maximum Air Pressure	0.8 MPa
Hose Length	440 mm
Manometer Diameter	55 mm
Material	Aluminum
Weight	0.27 kg
Air Connection	Standard PT
Vibrations	<2.5 m/s ²
Acoustic Power	100.0 ± 2.5 dB(A)
Acoustic Pressure	89.0 ± 2.5 dB(A)

Applications

- Tires
- Inflatable boats
- Mattresses
- Balls
- Adapters required (not included)

Features

- LCD digital manometer for professional precision
- Clear display for quick, accurate pressure readings
- Durable aluminum construction for long lifespan
- Easy-to-use digital control panel
- Ergonomic shape for comfortable, prolonged use
- Long 440 mm hose reaches hard-to-access valves

Safety

- Not intended for motor vehicle tires
