

Yato | Code YT-23731 | Sku 1023731

Yato YT-23731 Air Duster Gun

Key Technical Specifications

Maximum Air Pressure	0.8 MPa
Air Connection	1/4"
Air Supply Hose Inner Diameter	3/8" (9.5 mm)
Nozzle Length	110 mm
Nozzle Diameter	4 mm
Nozzle Material	Brass
Body Material	PP Plastic
Weight	0.11 kg
Sound Pressure	89.0 dB(A)
Sound Power	100.0 dB(A)
Vibration	<2.5 m/s ²

Key Features

- Strong air flow for effective contaminant removal
- Precise air flow adjustment for optimal control
- Long 110 mm nozzle for hard-to-reach places
- Standard 1/4" connection compatible with most compressors
- Durable brass nozzle and PP plastic body

Applications

- Cleaning machines and devices
- Cleaning engines
- Reaching hard-to-access areas in the workshop

Safety

- Always use personal safety equipment at work
