

Yato | Code YT-24240 | Sku 1024240

Yato Pneumatic Hose Reel (YT-24240)

Key Technical Specifications

Hose Material	PVC
Hose Length	15 m
Connection Hose Length	0.6 m
Internal Diameter	10 mm
Maximum Air Pressure	2 bar
Air Connection Diameter	Standard (PT)
Auto Rewind	No

What's Included

- 15 m pneumatic hose on reel
- 0.6 m connection hose
- Reel with crank
- Mounting anchors x4 (floor or wall)

Key Features

- High resistance to stretching and abrasion
- Increased scratch resistance for long-term use
- Resistant to aggressive chemicals
- Long lifespan due to material aging resistance
- Smooth and precise winding adjustment
- Standard quick couplings for rapid connection
- 10 mm internal diameter for optimal airflow

Mounting

- Universal wall or floor mounting
- Includes 4 fixing anchors for stability
