Modular Trolley Tool Box – 3-Part Set

Overview

The Yato YT-09101 Modular Service Cabinet is a three-module tool cart designed for maximum functionality and mobility. Three independent modules provide perfect tool organization, while built-in wheels and a telescopic aluminum handle ensure full mobility. The lower box features a large tilting drawer, and the flat top of each module serves as a practical work surface with a drilling groove. The upper module includes built-in organizers and a tool tray for small parts. The middle module features metal drawers with ball-bearing slides for smooth opening. The set can be expanded with additional middle modules (YT-09107 or YT-09108). Non-slip handles and side grips allow easy lifting, and non-slip lower corners provide stability. Metal clasps and a lock on the aluminum handle secure the modules against disconnection.

Key Technical Specifications

Wheels	Yes
Worktop	Yes
Material	PP, steel
Grip Handles	Yes
Corner Bumpers	Yes
Handle Material	Aluminum
Number of Wheels	2
Worktop Material	PP
Manufacturer Code	5906083091018
Module Dimensions	Upper: 420 × 220 × 150 mm; Middle (×2): 390 × 215 × 60 mm; Lower: 410 × 210 × 280 mm
Number of Drawers	4
Number of Modules	3
Telescopic Handle	Yes

Max. Load Capacity	Upper module: 20 kg; Middle module (per drawer): 5 kg; Lower module: 15 kg
Overall Dimensions	520 × 320 × 720 mm
Module Locking Protection	Yes

Key Points

- Three independent modules for perfect tool organization
- Full mobility with 2 built-in wheels and a telescopic aluminum handle
- Upper module: classic toolbox 420 × 220 × 150 mm, load capacity 20 kg, with 2 pull-out organizers and a tray
- Middle module: 2 metal drawers on ball-bearing slides, each 390 × 215 × 60 mm, load capacity 5 kg per drawer
- Lower module: box with built-in wheels and telescopic handle, large tilting drawer, 410 × 210 × 280 mm, load capacity 15 kg
- Flat top on each module serves as a practical work surface with a drilling groove
- Expandable with additional middle modules (YT-09107 or YT-09108)
- Corner bumpers for protection against damage
- Metal clasps and lock secure modules from disconnecting
- Non-slip handles, side grips, and lower corner feet for safety and stability
- Overall cart dimensions: 520 × 320 × 720 mm
