

Yato | Code YT-8107 | Sku 108107

Yato Cable Reel 40 m (YT-8107)

Key Technical Specifications

Cable Length	40 m
Rated Voltage	230 V AC
Frequency	50 Hz
Maximum Current	16 A
Conductor Cross-Section	3G × 2.5 mm ²
Cable Designation	H05RR-F
Number of Sockets	4
Socket Type	E
Plug Type	E & F
Protection Rating	IP44
Max Load (Coiled)	1200 W
Max Load (Uncoiled)	3600 W
Reel Material	PVC
Color	Red
Weight	9.9 kg

Safety

- Thermal protection cuts power at 56 °C ± 5 °C
- Child protection with plastic shutters restricting socket access
- Earthed (grounded) connection
- IP44 dust- and splash-proof sockets

Maximum Capacities

- 1200 W with cable fully coiled
- 3600 W with cable fully uncoiled
- Powers inverter welders, compressors and large wood saws

Applications

- Indoor and outdoor use
- Construction sites
- Gardens and yards
- Suitable for use while still coiled

Design & Storage

- Sturdy metal frame with ergonomic handle
- Edge-mounted handle for fast rewinding
- Rubber cable stop hooks plug onto drum edge
- Durable plastic drum

Cable Construction

- 40 m copper three-core cable, 2.5 mm² cross-section
- Minimal voltage drop over full length
- Natural rubber insulation and sheath (H05RR-F)
- Resistant to mechanical damage, UV, cold, cooling oils, petrol and alcohols
