

Yato | Code YT-8156 | Sku 108156

Yato Electrical Insulation Tape Mix Set, 10 Pieces (YT-8156)

Key Technical Specifications

Material	PVC
Number of Pieces	10
Colors	Red, Blue, White, Black, Yellow-Green
Width	12 mm
Length	10 m
Thickness	0.13 mm
Dielectric Strength	>40 kV/mm
Elongation	>125%
Flame Test	<1 s (self-extinguishing)
Operating Temperature	+5°C to +50°C
Storage Temperature	+10°C to +40°C

What's Included

- Red tape ×2
- Blue tape ×2
- White tape ×2
- Black tape ×2
- Yellow-Green tape ×2

Applications

- Electrical installation and maintenance
- Creating cable harnesses
- Marking wires
- Construction and automotive industries

Protection & Resistance

- Protects against short circuits and surges
- Fire-resistant: flame self-extinguishing in under 1 second
- Resistant to UV radiation and aging
- Resistant to abrasion and bending
- Resistant to water and chemicals
- Corrosion protection
