

Yato | Code YT-20958 | Sku 1020958

Yato Injection Insulated Open End Wrench 14mm (YT-20958)

Key Technical Specifications

Wrench Size	14 mm
Material	CR-V Steel
Jaw Capacity	1/2 in
Thickness	1/2 in
Max Torque Capacity	2000 lb-ft
Insulation Standard	ASME.B.107.15-2002
Colour	Yellow with Red

Features

- Injection insulated for electrical work
- Made of durable CR-V steel
- Insulation compliant with ASME.B.107.15-2002

Applications

- Auto repairing
- Electrical work requiring insulated tools
