

Yato | Code YT-21152 | Sku 1021152

Combination Pliers, Insulated 180mm VDE (Yato)

Key Technical Specifications

Overall Length	180 mm
Insulation Rating	1000 V AC
Material	60CrV Steel
Head Finish	Polished
Jaws Finish	Blackened, Polished
VDE Certified	Yes
Standard	EN 60900
Application	Electrical

Features

- High-grade 60CrV steel for durability and strength
- VDE-certified multi-component handle
- Insulation rated up to 1000 V AC
- Standard jaw shape with precisely machined grooves
- Durable integrated cutting element

Grip & Safety

- Anti-slip micro-roughened outer VDE insulation layer
- Special grooves for secure handling
- Tested in German VDE accredited laboratory
- Certified to EN 60900 standard
- Always use personal protective equipment when working

Applications

- Electrical work on live systems up to 1000 V AC
