Tool Box with 2 Drawers

Overview

Keep your workshop tidy with the YT-08872 tool box. It offers spacious drawers and secure closure for organisation and safe storage of tools. High-quality drawers are mounted on metal ball guides, and an additional upper compartment is secured with solid metal latches. The contents can be further secured using a padlock on the fasteners. A central lock for the drawers is activated by closing the lid of the box. The non-slip handle allows for comfortable carrying, making this box ideal for storing a wide range of hand tools.
