Tool Box with 4 Drawers

Overview

Maintain perfect order in your workshop with the YATO YT-08874 toolbox. Four drawers and an additional compartment provide comfort at work and easy access to necessary items. Ideal for storing manual workshop tools, the box features smooth and stable drawer sliding thanks to metal ball guides, an additional top compartment closed with solid metal clasps, and the possibility of securing contents by applying a padlock to the fasteners. A central drawer lock is activated by closing the box lid. Comfortable and secure transport is ensured by a non-slip handle.
