

Yato | Code YT-5491 | Sku 105491

Spiral Bar Mixer

Overview

The YT-5491 professional spiral mixer guarantees perfectly mixed mortars and compounds, making it essential for professional renovation and construction work. Designed for versatile application across a wide range of loose and ready-made materials, it features a special mixer profile for quick homogenization and ensures uniform consistency of the mixture. The hexagonal handle provides stable mounting and compatibility with most mixers and drills. Constructed from durable galvanized steel for long-lasting performance.
