PVC Tray with 40-Piece Screwdriver Bits Set

Overview

The YT-5538 is a comprehensive 40-piece insert bit set offering versatility and excellent organisation for your tool cabinet. The set includes Torx, hex, and Spline bits in two lengths (30 mm and 75 mm) for extended reach, all manufactured from high-quality S2 and CrV steel for durability and reliability. Also included are 1/2" (12.7 mm) and 3/8" (9.5 mm) adapters for increased compatibility. Suitable for universal application in precision mechanics and general workshop tasks. All 40 pieces are stored in a moulded PVC tray drawer insert (385 × 175 × 41 mm) for immediate, organised use.
