

Fischer | Code 533069 | Sku 33982

fischer FixTainer (empty)

Overview

The FixTainer Box is fitted with a carry handle and transparent lid. It can be connected permanently with other boxes and therefore stacked. It is also compatible with the Sortimo L-Boxx System.

Top Features

- With the practical click system for connecting multiple FixTainers together - for easy transport.
- Transparent lid with integrated tophat: Overview at a glance and good transport capability.
- High quality Montage-box for re-closing and refilling.
- Modular inner compartments in the boxes: Flexibility and easy organising.
