PRO GSB 120-LI Cordless Impact Drill Driver

Short Description

12 V Bosch Professional cordless impact drill driver with two-speed gearbox, 10 mm keyless chuck, 20+2 torque settings and electronic cell protection.

Technical Specifications

Brand	Bosch
Model	GSB 120-LI
Mfr part no.	Not specified
SKU	45381
Type	Cordless impact drill driver
Mfr Part No.	3 601 JG8 1.. family
Voltage	12 V
Speed	0–400 rpm / 0–1,500 rpm, first gear / second gear
Maximum Impact Rate	22,500 bpm
Chuck Capacity	0.8–10 mm
Maximum Torque	14/30/- Nm, soft/hard/max.
Torque Settings	20+2
Weight	0.9 kg excluding battery
Battery Type	Lithium-ion
Battery Platform	Bosch Professional GBA 12V
Vibration	1.5 m/s ² drilling in metal; 10.2 m/s ² impact drilling in masonry; 1.5 m/s ² screwdriving
Noise Level	86 dB(A) sound pressure level; 94 dB(A) sound power level; uncertainty K = 5 dB

Description

The GSB 120-LI is designed for screwdriving and drilling in wood, steel, plastics and masonry. Its two-speed gearbox provides flexibility between high torque and higher drilling speed, while the impact-drilling mode supports work in masonry. Bosch Electronic Cell Protection helps protect the battery against deep discharge, excessive current draw and undervoltage.

Key Features

- 12 V lithium-ion cordless platform
- Two-speed gearbox balancing torque and speed
- Electronic Cell Protection
- Integrated work light
- Suitable for screwdriving, drilling and impact drilling

Applications

- Driving and removing screws
- Drilling in wood, metal and plastics
- Impact drilling in masonry
- General professional installation and maintenance work

What's Included

- Cordless GSB 120-LI drill driver
- Carrying case
- GAL 1210 CV Professional charger
- 2 x GBA 12V 2.0 Ah lithium-ion batteries
