Bosch CYL-5 Blue Granite Concrete Drill Bit 14 x 90 x 150 mm, 1 Pc

Short Description

Bosch CYL-5 Blue Granite carbide concrete drill bit with a 14 mm diameter, 90 mm working length and 150 mm total length.

Technical Specifications

Brand	Bosch
Model	CYL-5
Mfr part no.	2608588159
SKU	45508
Type	Concrete and masonry drill bit
Diameter	14 mm
Working Length	90 mm
Total Length	150 mm
Cutting Material	Durable carbide
Cutting Edge	Diamond-ground cutting edges
Flute Design	Vario design with two flutes
Shank Type	Cylindrical three-wing shank
Compatible Chuck	Three-jaw drill chuck
Pack Quantity	1 piece
Packaging Type	Combined cardboard/plastic packaging with Euro hole

Description

The Bosch CYL-5 Blue Granite is a single-piece concrete and masonry drill bit designed for drilling concrete, soft stone, brick and limestone. It features a cylindrical three-wing shank, a durable carbide cutting tip and a two-flute design intended to provide secure chuck engagement, efficient drilling and reduced friction.

Key Features

- Durable carbide cutting tip
- Diamond-ground cutting edges
- Two-flute Vario design for reduced friction
- Cylindrical three-wing shank for secure chuck engagement
- Designed for concrete, soft stone, brick and limestone

Applications

- Drilling concrete
- Drilling soft stone
- Drilling brick
- Drilling limestone
- Drilling masonry
- Drilling holes for wall plugs

What's Included

- 1 x Bosch CYL-5 Blue Granite concrete drill bit, 14 x 90 x 150 mm
